

18 January 1980

Pom 8-1

MEMORANDUM FOR: Director of Logistics

FROM: [REDACTED] Chief, C&amp;PS/OSO/DDS&amp;T

SUBJECT: Harris Corporation, Melbourne, Florida

REFERENCE: Procurement Note No. 85, Rev. No. 26, dtd 10 Dec 79;  
Subject: Notification to or Approval of the  
Director of Logistics prior to Undertaking  
Contractual Relationships with Certain Contractors

1. Action Requested: Approval is requested for the undersigned to negotiate an amendment to an existing contract with subject contractor for [REDACTED] As in the original contract, the association and hardware are unclassified, while the work and reports are SECRET.

2. Background: On 28 June 1976, this office entered into a Cost-Plus-Fixed-Fee (CPFF) effort with subject contractor for the development of a [REDACTED] The original contract (XG-4595) was for \$20,000, with a six month period of performance. However, through continued success and enhancements brought about during development, the original term of the contract was extended to 31 January 1980, and funding increased to \$171,886. The requesting activity, Signal Analysis Division/OSO has been impressed with the continuing success of the effort and now finds that the contractor is approaching a significant breakthrough.

3. Staff Position: It is the position of this staff that Harris Corporation, performing under contract for the development of the [REDACTED] does not represent a potential security, technical, or contractual risk to the Central Intelligence Agency.

[REDACTED]  
Chief, C&PS/OSO/DDS&T

APPROVED:

[REDACTED]  
Director of Logistics
